

Medication Information Sheets for Patients

Patient instruction sheets for commonly prescribed oral chemotherapy agents are printed on the following pages. These instruction sheets may be reproduced for noncommercial use, and specific patient information (such as additional instructions or contact information for the patient's healthcare providers) may be added to the sheets. These instruction sheets also may be downloaded and printed from www.ons.org (go to Publications, select *Clinical Journal of Oncology Nursing*, and select "Medication Information Sheets for Patients.")

Please note. These materials may discuss uses and dosages for therapeutic products that have not been approved by the United States Food and Drug Administration. All readers should verify all information and data before treating patients or employing any therapies described herein.

Mention of specific products and opinions related to those products do not indicate or imply endorsement by the *Clinical Journal of Oncology Nursing* or the Oncology Nursing Society.
